MASYS TECH SOLUTION
WE AUTOMATE YOUR IDEAS

Few of our Esteemed Clients

The fee collection, report generation for respective classes, attendance monitoring, grading system, notices, circulars, and event management is now finally being managed systematically. The staff was also very supportive and provided features which suited our requirements perfectly. The i-class team met up to all the expectations- knowledge, partnership strong customer focus. ""

★★★★½

REAL ACADEMY

Thanks for the great work, we are very happy with the result. During the work process, Masys Solutions team was very flexible and willing to try out various things according to our suggestions. we will sure continue work with Masys Solutions team again! ""

★★★★½

Nalanda Public school

Make a Difference Every Day - As a teacher with many years of academic experience, initially I was hesitant to use i-Class, but now I depend on it almost every day. I can directly interact with my students and their parents by sending messages and notices accordingly. I use the attendance module religiously and many others which has reduced my paperwork substantially.
